

MAROLO

DISTILLERIA

Crumbly TORRONE (nougat) with Piedmontese hazelnuts certified IGP

DESCRIPTION: From a recipe purposely created in cooperation with Paolo Marolo, this TORRONE is obtained by handwork in little bain-marie boilers with a slow cooking, preserving the aromatic qualities of the raw materials. The ingredients are top-quality ones; the extremely fragrant honey and the refined sugar exalt in this TORRONE the unique taste of our Piedmontese IGP hazelnuts.

PACKAGING: the product is presented in 500g. blocks with transparent package and MAROLO logo wrapper.
